# WHO IS

*Davide Algranti*

Davide is an Italian architect with extensive global experience in concept design, urban planning, and interiors. He has led multicultural teams across large-scale and high-end projects worldwide, from feasibility to delivery. Founder of his Dubai-based studio (2019), he specializes in luxury residential, hospitality, corporate environments including offices, executive lounges, and airport spaces, creating refined environments that balance efficiency, comfort, and strong brand identity across the Middle East.

# AlexJet Headquarters

Dubai, UAE

Status: Proposal  
Area: 1,000 sqm  
Scope: Full Scope Interior Design  
Client: AlexJet Group

The design exudes an aerodynamic feeling, seamlessly blending sleek lines and curves that mimic the grace and efficiency of flight. The architecture is characterized by fluidity and a sense of motion, inspired by aerodynamic principles. Walls and surfaces have a streamlined, dynamic appearance, creating an atmosphere that feels light, agile, and forward-thinking.

# Private Jet Terminal

Dubai, UAE

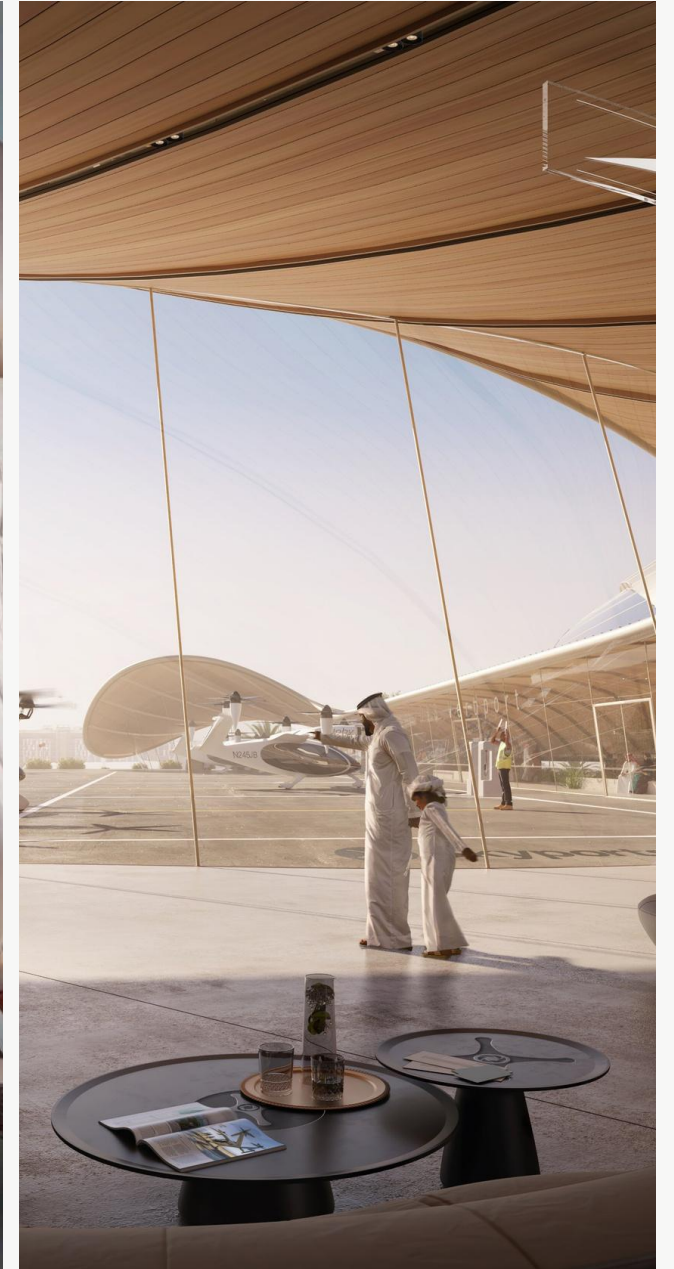

Status: Proposal  
Area: 1,000 sqm  
Scope: Full Scope Interior Design  
Client: AlexJet Group

Designed in an organic style, the overall architectural scheme seamlessly blends with its natural surroundings, featuring flowing lines and bio-mimetic elements. The terminal's design resonates harmoniously with nature, with the central atrium serving as a tranquil oasis enveloped by lush plants and peaceful water features.

The terminal's architectural design embraces a sense of organic flow and natural elements, creating a soothing atmosphere and a connection to the environment.
